

Summer Fayre - A big thank you goes to all those who supported this event in any way and made it such a huge success. An amazing total of around £7800 was raised. This will cover the costs of fitting new blinds in every classroom (*thus enhancing the learning environment by ensuring that the interactive whiteboards are more visible to children*) and the purchase of equipment for the Foundation Stage outdoor area (*thus increasing learning opportunities for children*).

Aaron Davidson won the £55.50 Golden Bucket prize.
